

# Expatriate Interview

**Introduce yourself** (name or nickname, where you are from & where you live now):

1. Why did you move abroad?
2. How do you make a living (working? Tell us about your experience)?
3. How often do you communicate with home and how?
4. What's your favorite thing about being an expat in \_\_\_\_\_?
5. What's the worst thing about being an expat in \_\_\_\_\_?
6. What do you miss most?
7. What did you do to meet people and integrate in your new home?
8. What custom/ habits do you find most strange about your adopted culture?
9. What is a myth about your adopted country?
10. Is the cost of living higher or lower than the last country you lived in and how has that made a difference in your life?
11. What advice would you give other expats?

12. When and why did you start your blog?
